Is still in the lead, and is keeping up its reputation by selling first quality of Goods at shoddy prices.

Have you, during the two years just passed, bought a pair of Boots or Shoes at the Bazaar with paper or shoddy insoles? We say "No," because we don't handle that grade of goods, but our cheapest grades have solid leather insoles. Remember this, and Lewis & Lea buy of us, for to buy a shoe with good uppers and shoddy insoles is like throwing money away.

Our pure wool Jeans at 35c per yard is as good as any 45ct Jeans sold in this county.

Our Cast Iron Jeans at 20c per yard wears as well as any 45ct Jeans.

Our Dress Goods are the cheapest we ever had.

Our Shawls and Blankets can't be beat-

Our Clothing and Overcoats Our Clothing and Overcoats are bargains that can't be picked up every day.

Remember this and when needing anything in our line, call at the Bazaar and save money. Respectfully,
